Dear Mr. Werner:

This is in response to your letter of June 3 2004 regarding the use of the N11 number 511 in our service areas in Tennessee.

Currently, T-Mobile does not have 511 implemented in any of our service areas. It is T-Mobile's Policy to only implement the 511 Code at the request of proper authority within the State.

Please let me know if you have any questions or need additional information.
